### Summary Plan Description

This summary plan description (SPD), also known as the *Benefits Booklet*, describes the benefits provided to Participants by the National Rural Electric Cooperative Association (NRECA) Business Travel Accident Insurance Plan (the Plan).

### Your Responsibilities

You are responsible for reading the SPD and related Plan materials distributed by NRECA or by your Employer such as, premium contribution notices, summary of material modifications, and employer benefits eligibility rules, completely and complying with the rules and Plan provisions described herein. The provisions applicable to the specific benefit options under this benefit Plan determine what services and supplies are eligible for benefits; however, you and your provider are ultimately responsible for determining what services you will receive.

While reading this SPD be aware that:

- The Plan is provided as a benefit to persons who are eligible to participate, as defined in the *Eligibility and Participation Information* chapter. Plan participation is not a guarantee or contract of employment with NRECA or with member cooperatives. Plan benefits depend on continued eligibility; and
- Frequently used and Plan-specific terms are capitalized and defined in *Appendix A: Key Terms*.

In case of a conflict between this SPD (or any information provided) and the official Plan document, the official Plan document governs.

*<sup>1</sup>For specific requirements for these additional features, see the Business Travel Accident Insurance Benefits chapter.*

If you sustain an accidental injury due to any one Covered Accident that is the Direct and Sole Cause of more than one Covered Loss (see the *Additional Benefits Highlights* chart), the amount MetLife will pay will not exceed the Full Amount set forth in the beginning of this chapter. The Additional Benefits listed above will not be taken into account when determining if the amount MetLife pays exceeds the Full Amount.

MetLife will pay benefits only once for any one Covered Loss resulting from the same accident.

### **Aggregate Maximum**

MetLife will not pay more than \$5,000,000 for all Covered Losses and injuries sustained by all insured persons under the Plan as a result of any one Covered Accident or series or combination of Covered Accidents directly arising out of one or more associated events. Events are associated if they have a common cause or are a chain of events forming part of a larger or broader event even if the individual events themselves are separate in time and place. If the total amount claimed by all insured persons is greater than this amount, then the amount MetLife will pay to each insured person will be reduced in the same proportion, so that the total amount does not exceed the maximum amount stated in this paragraph.

## Chapter 3: Eligibility and Participation Information

### Who Is Eligible

You are eligible to participate in the BTA Insurance Plan if you are an Active, Full-time Employee who meets all these criteria:

- Is in a covered job classification;
- Has worked or expects to work at least 1,000 hours during your first 12 months in a covered job classification;
- Continues to work at least 1,000 hours during subsequent calendar years; and
- Is Actively at Work on the day your coverage begins **or** has worked at another rural electric Employer within the past six months and meets these conditions.

You will be covered for the risks and for the time periods described in the Covered Accident(s), listed above, applicable to the Class of Covered Persons to which you belong.

You will not be included as a member of more than one Covered Class at the same time. If you could be included in more than one Covered Class at the time of a Covered Accident, MetLife will consider you to be a member of the Covered Class that provides the greatest benefit.

### Ineligible Class(es)

The following Employee classifications are ineligible for coverage:

- This Plan does not have any excluded job classifications, positions, or titles.

## Director

If you are a Director and your Employer covers Directors under this Plan, then you are covered by the Plan during your term on the Employer's board of Directors. Up to three Directors Emeritus can be covered by the Plan.

## Retained Attorney

If you are an attorney retained by a participating cooperative and your Employer covers a Retained Attorney under this Plan, you are covered by the Plan while serving in this capacity. Only one Retained Attorney may be covered by a cooperative.

## When Coverage Begins

If you are an Active Employee, you are covered by the Plan after you have met all the eligibility requirements (see *Who Is Eligible* in this chapter).

When you are a new hire, coverage is effective on the first day that you are eligible for coverage.

## Enrolling in the Plan

You automatically will be enrolled in any benefits that your Employer provides at no cost to you.

## Selecting Your Beneficiary

Your Beneficiary is the person who will receive your benefit upon your death if your death is due to an accident that occurred while you were Traveling on Business. You may change your Beneficiary at any time. Ask your benefits administrator for instructions on how to change your Beneficiary.

If a Beneficiary is a minor or incompetent to receive payment, MetLife will either pay that Beneficiary's court-appointed property and estate guardian or hold the funds until the minor is of legal age.

## When Coverage Ends

You are no longer eligible (and your BTA Insurance coverage ends) on the day that:

- You are no longer employed by your Employer;
- You are no longer in a covered job classification (see *Who Is Eligible* for a list of these);
- You are no longer serving as a Director or Retained Attorney for the cooperative;
- You become disabled;
- You go on uncompensated or military leave;
- You retire;
- You die;
- Your Employer stops participating in the Plan; or
- The Plan ends.

**You do not have the option to convert this insurance into an individual policy.**

## **When You Are Covered by More than One Employer**

If you are covered by more than one participating Employer during the same business trip, you will receive benefits through only one Employer.

## Chapter 4: Business Travel Accident Insurance Benefits

---

### Exposure to the Elements

If you sustain an accidental bodily injury in a Covered Accident, MetLife will not deny a claim because the injury was not the Direct and Sole Cause of the Covered Loss if:

- The Covered Loss results from unavoidable exposure to the elements; and
- The exposure is a direct result of a Covered Accident, independent of other causes.

This provision is applicable to all Covered Classes.

### Presumption of Death

For purposes of any benefits paid under this Plan, MetLife will presume that the Covered Loss sustained by you for such loss **is loss of life** if:

- An aircraft or other vehicle in which you were Traveling on Business for which coverage is provided under a Covered Accident disappears, sinks, or is wrecked; and
- Your body is not found within one year of:
  - The date the aircraft or other vehicle was scheduled to have arrived at its destination, if traveling in an aircraft or other vehicle operated by a Common Carrier; or
  - The date you are reported missing to the authorities, if traveling in any other aircraft or vehicle.

This provision is applicable to all Covered Classes.

### 24-Hour Business Travel

MetLife will pay the Benefit Amount(s) stated in the *Plan Highlights* chapter if, while Traveling on Business for the Employer, an accidental bodily injury resulting in a Covered Loss is sustained as described in this SPD.

MetLife will deem that your regular place of employment has changed, and that Traveling on Business has ended if:

- You are expected to remain in the location to which you have Traveled on Business for more than 60 days; or
- The Employer deems a new location to be your regular place of employment.

### Board of Directors Business Travel

MetLife will pay the Benefit Amount(s) stated in the *Plan Highlights* chapter if, while Traveling on Business for the Employer, a Director sustains an accidental bodily injury resulting in a Covered Loss as described in this SPD.

**Traveling on Business** means, for the purpose of a Covered Accident, that a Director is traveling to, returning from, or attending:

- A meeting of the Employer's board of Directors or other similar function requiring the Director's attendance as a board member, for the purpose of furthering the business of the Employer;

- A business trip taken at the Employer's specific request, for the purpose of furthering the business of the Employer; or
- Any business trip for which the Director is able to receive reimbursement from the Employer for expenses or for services that he or she performed for the purpose of furthering the business of the Employer.

### **Personal Deviation Business Travel Guidelines**

MetLife will pay the Benefit Amount(s) described in the *Plan Highlights* chapter if, while making a Personal Deviation, an accidental bodily injury resulting in a Covered Loss is sustained as described in this SPD and if the Personal Deviation:

- Takes place while on a business trip requested, authorized or consented to by the Employer, for the purpose of furthering the business of the Employer and at the expense of the Employer;
- Takes place more than 100 miles from your primary residence or regular place of employment;
- Is not longer than three days; and
- Is not done during chargeable vacation time or leaves of absence.

These guidelines are applicable to all Covered Classes.

## **Additional Benefits**

### **Air Bag Use Benefit**

If you die as a result of an accidental injury sustained in a Covered Accident, MetLife will pay this additional Air Bag Use benefit if:

### **Benefit Amount**

The Air Bag Use Benefit is an additional benefit equal to 10% of the Full Amount shown in the *Plan Highlights* chapter. However, the amount MetLife will pay for this benefit will not be less than \$1,000 or more than \$5,000.

### **Benefit Payment**

- 10% of the Full Amount as shown in the *Plan Highlights* chapter; or

- The actual charges incurred for 10 sessions for such therapeutic counseling;

### **Benefit Payment**

MetLife will pay this benefit quarterly when MetLife receives Proof that charges for therapeutic counseling have been paid. Payment will be made to you.

The claims and appeals procedures in this chapter are intended to comply with applicable regulations by providing reasonable procedures for filing claims, notifying participants of benefit decisions, and appealing adverse benefit determinations. Follow these procedures for all claims for benefits under this Plan.

Your claim will be processed for payment according to applicable Plan provisions and the guidelines used by MetLife. General contact information is listed in the *Contact Information* chapter. Specific contacts for claims and appeals are listed in this chapter.

An issue or dispute solely regarding your eligibility for coverage or participation in the Plan is not considered a claim for benefits and is not governed by the claims and appeals procedures described in this chapter. For more information about eligibility, contact your benefits administrator.

For purposes of this chapter, “you” also includes your Authorized Representative.

## Authorizing a Representative

Your Beneficiary may authorize another individual to speak with MetLife by giving verbal consent for MetLife to speak with that individual. Any required forms still need to be Signed by the Beneficiary. Contact the MetLife claims representative for more information.

Your Beneficiary may designate a power of attorney or guardian in Writing. Such documentation will be held on file with MetLife. Contact the MetLife claims representative for instructions.

## Claims

A claim is any request for a plan benefit made in accordance with the procedures described in this chapter. You must submit a claim for Plan benefits in Writing to the benefits administrator. Ask your benefits administrator if you need help obtaining a claim form.

A claim is considered filed when it is received by MetLife in accordance with these claims procedures. MetLife's time frame to provide you with a determination notice starts when the claim is filed, regardless of whether MetLife has all of the information necessary to decide the claim when it is first filed.

If your claim does not include enough information for MetLife to make an initial benefit determination, you may be asked to supply additional information. If you do not provide that information within the applicable time, your claim may be denied in whole or in part.

Within this chapter, "Claimant" may mean you, your Beneficiaries, the executor of your estate or an Authorized Representative. See *Authorizing a Representative* above for specifics about how to authorize a representative.

## Filing a Claim

A Claimant must complete and return the appropriate claim forms to the benefits administrator, who will verify eligibility and the benefits to be claimed, certify the forms, and forward all documents to MetLife for processing.

In addition to claim forms, the Claimant may be required to provide additional evidence (e.g., a death certificate or accident report) that establishes the nature and extent of the loss or condition, MetLife's obligation to pay the claim, and the Claimant's right to receive payment. Such additional evidence must be provided at the Claimant's expense. MetLife will request this evidence directly from the Claimant and, in its sole discretion, will determine if the submitted documentation is sufficient.

Upon receipt of all requested documentation, MetLife will determine what benefits are payable. If the claim is approved, the benefit is paid. The normal form of payment is one sum, but other alternative payments are available. For additional information about payment options, contact MetLife.

You may also ask your state's consumer assistance program or ombudsman for help filing your appeal, if applicable. To determine if your state has such resources:

- See the U.S. Department of Labor (DOL) website at [dol.gov/ebsa/](http://dol.gov/ebsa/);
- Call the Department of Labor Employee Benefits Security Administration (EBSA) at 866.444.EBSA (3272); or
- Write to the EBSA at: Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210.

### Claim Submission Time Frame

Send the claim form and Proof (as defined in *Appendix A: Key Terms*) to MetLife **within 90 days** of the date of loss.

### Claim Determinations, Determination Extensions, and Requests for Additional Information

<b>Determination extension period</b>	<b>Up to 90 additional days.</b> MetLife will notify you of the extension, the reason for the extension, and when it will render its decision

### Contents of the Claim Determination Notice

For all claims, Written notice of any adverse benefit determination will provide:

- The specific reason(s) your claim was denied;
- The specific Plan provisions on which the denial is based; and
- If applicable, a description of any additional information necessary to perfect the claim and an explanation of why such information is necessary.

The notice will also include a description of the Plan review procedures and time limits, including a statement of your right to bring a civil action if your claim is denied after an appeal.

## Appeals

If MetLife denies your claim for Plan benefits, if you believe you should be entitled to a different Benefit Amount, or if you disagree with any determination that has been made regarding your Plan benefits, you or your Authorized Representative may appeal the decision.

### Documentation to Include with Your Appeal Request

The following information applies to all appeal levels. For purposes of this explanation, “reviewer” means:

- MetLife Group Insurance Claims Review (for **adverse benefit determination** appeals);
- NRECA Appeals Administrator (for **eligibility** appeals); and
- NRECA Appeals Committee (for **voluntary final eligibility** appeals).

Appeals must be submitted in Writing by the filing deadline and must include at least the following information:

- Your name;
- Name of the plan (that is, the Business Travel Accident Insurance Plan);
- Reference to the initial decision; and
- An explanation of why you are appealing the decision.

Your appeal may also include any additional Written comments, documents (including additional medical information), records, or other information that supports your request for benefits.

The reviewer will conduct a full and fair review of your appeal if you have submitted it by the proper deadline.

### Appealing an Adverse Benefit Determination

Your adverse benefit determination appeal must be filed in Writing with MetLife by the filing deadline. The review period begins when the appeal is received, regardless of whether the reviewer has all of the information necessary to decide the appeal. If you want to grant the reviewer more than the stated time to make a determination, you may voluntarily agree to an extension by contacting the reviewer.

### Adverse Benefit Determination Appeal Timeline

<b>Filing deadline</b>	Within <b>60 days</b> of the date you receive MetLife’s Written adverse benefit determination  Effective from March 1, 2020 until the extended due date defined below. Notwithstanding the foregoing, the deadline for when a participant may file an appeal of an adverse benefit determination under the Plan’s claims procedure shall be extended without regard to the COVID-19 Outbreak Period. The “Outbreak Period” runs from March 1, 2020 until sixty (60) days after the COVID-19 National Emergency ends.
------------------------	--

---

**When you will be notified of a determination**

Within **60 days** of the date MetLife receives the appeal, unless you are notified by MetLife that an extension or more time is needed to evaluate your appeal before the initial 60-day period is over

---

**Determination extension period (if needed)**

One extension period of **up to 60 days**

---

To help prepare your appeal, you have the right to request, free of charge, access to and copies of all documents, records, and other information relevant to your initial claim. However, a request for documentation does not extend the time period allowed for you to file an appeal.

### **Adverse Benefit Determination Appeal Review and Determination**

If your appeal is denied, the determination notice will include:

- The specific reason(s) your appeal was denied;
- The specific Plan provision(s) on which the denial is based;
- If applicable, a description of any additional information necessary to perfect the claim and an explanation of why such information is necessary;
- An explanation of your rights under ERISA’s claim and appeal rules; and
- Information about your right to file a civil action under ERISA within 12 months.

Upon Written request, MetLife will provide you free of charge with copies of documents, records, and other information relevant to your claim.

If your Written benefit appeal is denied, you may voluntarily take part in one more review process, called the **Voluntary Final Appeal Process for Benefits**. If you do not choose to use the voluntary final appeal process, you may seek legal action.

### **Legal Action for Benefit Claims**

A legal action on a claim may be brought against MetLife only during a certain period. This period begins 60 days after the date Proof is filed and ends three years after the date such Proof is required.

### **Eligibility Appeals**

If NRECA denies benefits because you were not eligible to participate in the Plan, you have the right to file a Written eligibility appeal with the NRECA Appeals Administrator (the reviewer). The reviewer has full and discretionary authority to administer and interpret the Plan for all eligibility appeals.

Your eligibility appeal must be filed with the reviewer by the filing deadline (see the *Eligibility Appeal Timeline* below). The review period begins when the appeal is received, regardless of whether the reviewer has all the information necessary to decide the appeal. If the reviewer requires more than the stated time to decide your appeal, they will send a letter stating an extension time.

---

### **Eligibility Appeal Timeline**

---

<b>Filing deadline</b>	Within <b>60 days</b> of the date you receive the denial notice due to eligibility
<b>When you will be notified of a determination</b>	Within <b>60 days</b> after receipt of the appeal request unless NRECA requests an extension
<b>Determination extension period (if needed)</b>	One period of up to <b>60 days</b>

To help prepare your appeal, you have the right to request, free of charge, access to and copies of all documents, records, and other information relevant to your initial claim. However, requesting documentation does not extend the time allowed for you to file an appeal.

### Eligibility Appeal Review and Determination

If your eligibility appeal is denied in whole or in part, your decision notice will include:

- The specific reason(s) your appeal was denied;
- The specific Plan provision(s) on which the denial was based;
- An explanation of your rights under ERISA’s claim and appeal rules; and
- Information about your right to file a civil action under ERISA within 12 months; and
- The procedures you must follow to take part in the voluntary final appeal process and the time limits for such procedures.

### Voluntary Final Appeal Process for Eligibility

If you wish to have the NRECA – Appeals Committee review your denied appeal, you may follow the voluntary final appeal process for eligibility. Using this process has no effect on your right to other benefits under the Business Travel Accident Insurance Plan or your right to take legal action. Before you submit your voluntary final appeal, you may request additional information about the process by calling NRECA’s Cooperative Benefit Administrators, Inc. (CBA), at 866.673.2299.

You must file a voluntary final appeal with the NRECA Appeals Committee, in Writing, by the filing deadline in the timeline table below. The review period begins when the appeal is received, regardless of whether the reviewer has all of the information necessary to decide the appeal. The reviewer may need additional time to complete his or her review and, if so, will notify you of an extension.

<b>Voluntary Final Appeal Process for Eligibility Timeline</b>	
<b>Filing deadline</b>	Within <b>60 days</b> of the date you receive NRECA’s Written denial of your eligibility appeal
<b>When you will be notified of a determination</b>	Within <b>60 days</b> of the date MetLife receives the appeal unless you are notified by MetLife that an extension or more time is needed to evaluate your appeal before the initial 60-day period is over
<b>Determination extension period</b>	One period of <b>up to 60 days</b>

If your voluntary final appeal is denied in whole or in part, your decision notice will contain:

- The reason(s) why the final appeal was denied;
- The specific Plan provision(s) on which the denial was based;
- An explanation of your rights under ERISA's claim and appeal rules; and
- A statement of the Claimant's right, within 12 months, to bring a civil action under ERISA.

## Chapter 6: General Information

---

### Beneficiary

#### **For your loss of life, MetLife will pay benefits to your Beneficiary.**

For any other Loss sustained by you, MetLife will pay benefits to you.

You may designate a Beneficiary during the enrollment process. You may change your Beneficiary at any time. To do so, you must provide a Signed and dated written request to your Employer using a form satisfactory to MetLife. Your written request to change the Beneficiary must be provided to the Employer within 30 days of the date you Sign such request.

You do not need the Beneficiary's consent to make a change. When NRECA receives the change, it will take effect as of the date you Signed it. The change will not apply to any payment made in good faith by MetLife before the change request was recorded.

If two or more Beneficiaries are designated and their shares are not specified, they will share the insurance equally.

If there is no Beneficiary designated or no surviving designated Beneficiary at the time of your death, MetLife may determine the Beneficiary to be one or more of the following who survive you:

- Your Spouse;
- Your child(ren);
- Your parent(s); or
- Your sibling(s).

Instead of making payment to any of the above, MetLife may pay your estate. Any payment made in good faith will discharge MetLife's liability to the extent of such payment.

If a Beneficiary is a minor or incompetent to receive payment, MetLife will either pay that Beneficiary's court-appointed property and estate guardian or hold funds until the minor is of legal age to receive payment.

### Benefit Payment

MetLife will pay benefits of \$5,000 or more by MetLife's establishing a Total Control Account (TCA), which is a settlement method used to pay claims in full. Note that the TCA is not a bank account and is not a checking, savings, or money market account. Rather, MetLife establishes an interest-bearing account that provides you or your Beneficiary with immediate access to the entire insurance proceeds. MetLife pays interest on the balance in the TCA at a guaranteed minimum rate from the date the TCA is established. You or your Beneficiary can access the TCA balance at any time without charge or penalty by Writing drafts from the TCA in amounts of \$250 or more, up to the entire amount of the benefit payment.

### Entire Contract

Your insurance is provided under a contract of group insurance with MetLife. The entire contract with MetLife and the NRECA Group Benefits Program is made up of the following:

- The Plan and its exhibits, which include the SPD(s);

- NRECA's Group Benefits Program application; and
- Any amendments and endorsements to the Plan.

## Physical Exams

If a claim is submitted for insurance benefits other than life insurance benefits, MetLife has the right to ask the insured to be examined by a Physician(s) of MetLife's choice as often as is reasonably necessary to process the claim. MetLife will pay the cost of such exam.

## Autopsy

MetLife has the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons MetLife is requesting the autopsy.

### **Notice for Residents of Utah:**

#### **Notice of Protection Provided by**

#### **Utah Life and Health Insurance Guaranty Association**

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for Policyholders. This safety net

was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - \$500,000 in death benefits
  - \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - \$500,000 in hospital, medical and surgical insurance benefits
  - \$500,000 in long-term care insurance benefits
  - \$500,000 in disability income insurance benefits
  - \$500,000 in other types of health insurance benefits
- Annuities
  - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

**Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org) or contact:

### **Notice for Residents of Vermont:**

#### **Civil Union Notice for Residents of Vermont**

Vermont law provides that the following definitions apply to Your certificate:

- Terms that mean or refer to a marital relationship or that may be construed to mean or refer to a marital relationship, such as “marriage,” “spouse,” “husband,” “wife,” “dependent,” “next of kin,” “relative,” “beneficiary,” “survivor,” “immediate family” and any other such terms include the relationship created by a Civil Union established according to Vermont law.
- Terms that mean or refer to the inception or dissolution of a marriage, such as “date of marriage,” “divorce decree,” “termination of marriage,” and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.
- Terms that mean or refer to family relationships arising from a marriage, such as “family,” “immediate family,” “dependent,” “children,” “next of kin,” “relative,” “beneficiary,” “survivor” and any other such terms include family relationships created by a Civil Union established according to Vermont law.
- “Dependent” includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- “Child” includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.
- “Civil Union” means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled “Act Relating to Civil Unions”.

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under Your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of “dependent” as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in Your certificate. It broadens definitions and terms only to the extent required by Vermont law.

**Disclosure:**

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as “ERISA”, controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine Your rights under this notice and the certificate to which it is attached.

## **Chapter 7: Important Notifications and Disclosures**

---

### **Not a Contract of Employment**

This Plan must not be construed as a contract of employment and does not give any Employee a right of continued employment, nor may the Plan be construed as a guarantee of other benefits from your Employer.

### **Non-assignment of Benefits**

You cannot assign, pledge, borrow against, or otherwise promise any benefit payable under the Plan to a third party before you receive it. An Authorized Representative designation made by you or another Plan Beneficiary in accordance with the Plan's procedures is not a prohibited assignment of benefits with respect to the Plan. An attorney-in-fact designation made by you or another Plan Beneficiary pursuant to a power of attorney is not a prohibited assignment of benefits with respect to the Plan.

### **Right of Recovery of Overpayment**

If it is later determined that you received an overpayment or a payment was made in error, you will be required to refund the overpayment to the Plan. The Plan has the right to recover overpayments as a result of, but not limited to those:

- Due to fraud;
- Due to any error the Plan makes in processing a claim; and
- Benefits paid after the death of the Employee.

If you do not refund the overpayment, the Plan reserves the right to bring legal action against you to recover the overpayment, to offset future benefit payments until the overpayment is recouped, or both. You will be notified if a mistake is found.

### **Amendment or Termination**

This Plan may be amended or terminated at any time, for any reason, by action of the Plan Administrator or your Employer. This includes the right to change the cost of coverage. These changes may be made with or without advance notice to Plan participants. However, your rights to claim benefits for the period prior to the termination or amendment will not be affected if such benefit is payable under the Plan as in effect before the Plan is terminated or amended.

### **Severability**

If any provision of this Plan is held invalid, the invalid provision does not affect the remaining parts of this Plan. The Plan is construed and enforced as if the invalid provision had never been included.

### **Additional Procedures**

The Plan Administrator may promulgate any rules, regulations, or procedures not covered by this Plan that may be necessary for the proper administration of this Plan.

## Statement of ERISA Rights

### Your Rights

As a Participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan Participants will be entitled to:

#### Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 series), if any, filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon request to the Plan Administrator, copies of documents governing the Plan's operation, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated SPD. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual Form 5500, if any is required by ERISA to be prepared, in which case the Plan Administrator is required by law to furnish each Participant with a copy of this summary annual report.

#### Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee benefit plan. The people who operate your Plan, called Plan "fiduciaries," have a duty to do so prudently and in the interest of you and other Plan Participants and Beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan benefit or exercising your rights under ERISA.

#### Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps that you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report (Form 5500), if any, from the Plan and do not receive them within 30 days, you may file suit in federal court. In such case, the court may require NRECA, as Plan Administrator, to provide the materials and pay you up to \$159 a day, not to exceed \$1,594 per request (2020 limit, as may be indexed annually) until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits that is denied or ignored in whole or in part, and if you have exhausted the claims procedures available to you under the Plan, you may file suit in a state or federal court.

If it should happen that Plan fiduciaries misuse the Plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees: for example, if it finds your claim is frivolous.

## **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor (listed in your telephone directory), or contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
